

Polk County Juvenile Drug Court Program

The Polk County Juvenile Drug Court Program provides an alternative to how traditional cases are handled. You need to know that your life matters and this will be a challenging endeavor. We will coach, motivate and encourage you to make life changes toward society and become a law abiding member of the community. We'll get to know you by meeting in the courtroom on Wednesdays of every week alternating group and individual session. You'll work through four phases in order to graduate from our program. Here's a brief picture of what that looks like.
